Dear WIKF member,

As You probably know this year WIKF European Championship will be held in Italy at the end of September, near the historical city of Venice. In order to prepare this event in the best way, we are contacting you first to remind this important appointment, but also to ensure your participation and the one of your country.

We will soon have a dedicated web page with all information on this important event and for example the list of compulsory Kata for each age category, and the weight categories for kumite.

I hope that your competitors will be happy to visit our wonderful country and we will make all the efforts we can to make you feel comfortable and satisfied of this competition.

We only ask you now a first answer (within 10 days from this letter) for your country delegation attendance to this Championship and an approx number of participants (athletes, coaches and other members of the delegation) . A formal pre-registration will be available on the web page mentioned above.

Best Regards

Davide Grandi & Alessandro Sette
